# Poonam's Day Out

- A small girl named Poonam asked her mother, “Ma, please let me go to school today, I have been at home for the past two days. I am getting bored, said Poonam.” But you still have  fever. Go outside and lie down on the cot-replied Ma.
- Poonam fell asleep on the cot. Suddenly, something fell on her face. Poonam woke up at once and touched her cheek. Oh no, whose mischief is this? Is it the crow's or the pigeon's? It seems it's the crow's.

Poonam looked up. She saw many animals on the tree.

- Which animals can you spot on the tree in the picture?
- Let us write their name\_\_\_\_\_
- MONKEY
- BUTTERFLIES
- MYNAH
- SPARROW
- PIGEON
- ANTS
- SQUIRREL
- CROW

Poonam picked up a leaf from the ground and wiped her cheek with it. But her cheek was still sticky. She thought-Let me go and wash my face in the nearby pond

- Let us list out the animals which Poonam see at the pond?
- GOAT
- TORTOISE
- CRANE
- STORK
- FROGS
- BUFFALOES

- Different animals move in different ways to go from one place to another. Some animals walk, some crawl, some fly and some swim. For this, some animals use their feet, some use their wings. Some animals even take the help of their tail.

# ANIMAL MOVEMENT

Animals move about to look for food, water and shelter, to escape from danger and also to find a mate to have young.

## Animals That Fly

## Animals That Walk and Run

## Animals That Swim

## Animals That Crawl

- Animals live in different places. Some animals live in the trees, some in water. Some live on land, some live under the ground and some  fly in the sky. Some animals even live in our houses.

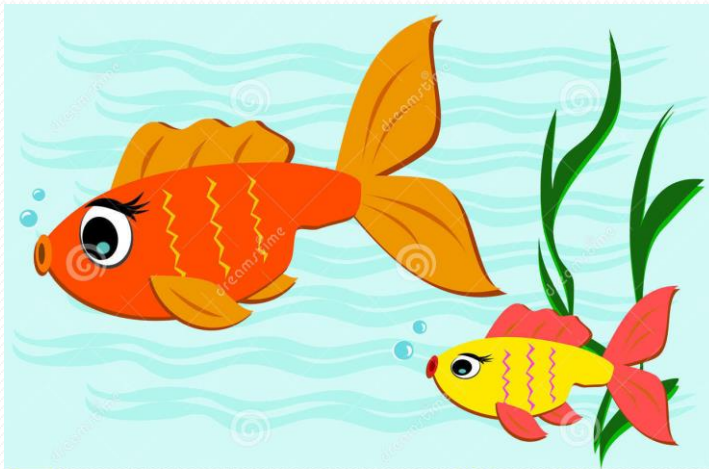

Rabbit lives in a burrow

Dog lives in a kennel

Fish swims in water.

Monkey lives on a tree.

THANK YOU
